VOLUME 49

Northwest Mississippi Junior College

Senatobia, MS 38668

Karla Parks, Editor

▲ Dent Jackson and Joan Reid, both instructors in the business department, made a difference in Ronnie Musgrove's life by encouraging him to run in his first election. Now Musgrove is our state senator and was honored at Homecoming as Alumni of the Year.

DIFFERENCE

First organized as Tate County Agricultural High School in 1915, the school began to offer college level classes in the fall of 1926. A fully sanctioned junior college, later named Northwest Mississippi Junior College and accredited by the Mississippi Junior College Accrediting Association, opened its doors to fifty-nine students. By the end of its third decade of operation the curriculum had expanded from a basic program of liberal arts and agriculture to include science, art, and journalism in addition to a variety of vocational-technical courses. The original three buildings had been supplemented with a cafeteria, additional dormitory and classroom space, sports and recreational facilities, and acreage for a model farm.

In 1953 the Southern Association of Colleges and Schools commended Northwest as a "bargain in educational facilities" and granted the college its coveted accreditation. During the next few years the college continued to prove that it

deserved this honor by broadening its capacity to serve the needs of the eleven-county district it had grown to encompass. A bus route began to provide free transportation for commuters, while night classes and off-campus courses offered extended educational services. Today Northwest is comprised of five campuses which, along with the farm, represent a capital outlay of more than \$35 million. In addition to the main seventy-five acre campus in Senatobia, the college includes DeSoto Center, Lafayette-Yalobusha Technical Center, Benton-Marshall Center and Olive Branch Center. At the end of almost six decades of growth and the beginning of the school's seventh administration, the mission of Northwest remains true to the vision of its founders. Northwest strives today, as it did in 1926, to continue making a difference in the lives of its students.

DANCES

Among the social events at Northwest, the most frequented by the students were the many dances sponsored by on-campus clubs and organizations. These dances presented a vast array of themes and musical tastes.

Many traditional motifs were used such as toga, sixties and the ever-popular Halloween costume dance. In addition to the theme oriented dances, there were a number of post-game dances.

These dances certainly made a difference in our dating lives.

DORM LIFE

It's your first time away from home and your roommate is someone you've never met before. As the semester gets on its way, you and this stranger are becoming very close. It is your roommate that wakes you up in time for that 9 a.m. biology class, gets you the date you've been dying to have, and is willing to listen when no one else has time.

Open Dorm is an exciting new term on our campus. In the past open dorms were only allowed two nights during Homecoming week, one night for the girls' dorms and the second night for the guys' dorms. This year the administration was persuaded to allow students what they've requested several times . . . open dorms. The dorms are open every Tuesday night from 7 to 10 p.m. alternating weekly, girls' dorms to the guys'.

Each dorm room has also been equipped with cable TV and telephones this year. The phones have three-way calling for on campus calls and students have the option of using their credit card or calling collect to call long-distance. Now not only can Becky call Sandy, but she can talk to Sandy and Leslie at the same time. Bryan can call home from his room instead of using the not-so-private pay phone in the hall.

Dorm life at Northwest continues to make a difference in the lives of many students.

PEP RALLIES

Having a championship football team is not a job just for the players and coaches. It requires the support of the whole campus. One factor which helped develop school spirit in our football team was the campus participation in pep rallies.

Along with the spirit competitions, there were performances by the cheerleaders, band, and

Rangerettes. We cheered for our team, coaches and team captains who gave speeches and we laughed at the faculty members who tried their hand at cheerleading.

It doesn't take much to rally us all together and when we do, we all win.

REGISTRATION

Registration is an event that goes hand in hand with a myriad of emotions.

Throughout the day different emotions come and go. First, there's happiness at seeing your friends again. Frustration comes after standing in line for an hour only to be told that three of your necessary classes are closed. Finally, the blessed relief as the day draws to a close.

CLASSES

For 60 years Northwest has been providing excellence in academic education. Classes remain comparatively small, and faculty emphasis is still on teaching. A faculty member will be designated as your advisor, one who is not only an expert in your selected field but also a caring counselor, mentor, and friend. Encouragement and inspiration as well as the gentle persuasion can make the difference between success and failure.

More than 60 courses of study are available within seven academic divisions on the Senatobia campus and at DeSoto Center. These are Business, Education, Fine Arts, Social Science, Languages and Communications, Nursing, and Science.

Accredited by the Mississippi Junior College Accrediting Association since 1928 and by the Southern Association of Colleges and Schools since 1953, Northwest can assure you that freshman and sophomore academic credit hours earned at this institution may be transferred to any other college or university and applied toward an academic degree. Student

performance at four-year institutions indicates that Northwest transfers continue to achieve academic recognition.

Career-oriented programs are available on all five campuses. Some courses of study — for example, cosmetology, welding, computer operations, and business technology — are offered at more than one site. Other majors such as Telecommunications (Senatobia), Respiratory Therapy (DeSoto Center), Licensed Practical Nursing (Lafayette-Yalobusha Technical Center), Aviation Maintenance Technology (Olive Branch Center), and Housebuilding and Woodworking (Benton-Marshall Center) are exclusive to one location.

While all programs are accredited by the Mississippi Junior College Accrediting Association and the Southern Association of Colleges and Schools, special programs have achieved national accreditation as well.

The Northwest Farm, a few miles west of Senatobia, provides a laboratory for the Livestock Management Technology curriculum.

You may come to Northwest with an idea about the career you want to pursue, but if you have trouble making up your mind, Northwest has counselors on each campus with a wealth of information. Once you have chosen a course of study, faculty members and counselors are there whenever you need assistance. If you have a question or need help outside class, they give personal attention that's so important. That includes job placement services when you have successfully completed your program.

Getting or beginning your education at Northwest can make all the difference in your life.

HOMECOMING '87

The week of Homecoming is always full of opportunities for students to get involved, and this year was no exception. The week began on Monday, October 5, with the presentation of the Homecoming court and coronation of the Queen. On Tuesday, Ranger Week contests were held in the Union. Ranger Day Relays consisted of three-legged races, playing volleyball with water balloons, and of course, the famous relay race. Thursday provided a carnival, cookout, pep rally, and a Homecoming dance with a 60's theme.

Finally, what the whole week had led to arrived . . . Homecoming Day. Saturday began with Senior Day for those high school students interested in Northwest. A parade, consisting of all maids and escorts, the band, cheerleaders, Rangerettes, and any dorms that choose to participate, was the attraction before the cheerleaders stole the show with their pep rally. Many alumni attended a luncheon and the game that followed. The crowd, composed of both young and old, cheered the Rangers to their victory over Mississippi Delta Junior College with a final score of 47-20.

CHRISTMAS

Christmas Celebration, sponsored by the Student Government Association, was held on the front steps of the Administration Building on December 2. The program consisted of dorm competitions, Santa's Elves, Santa's List, and a Christmas skit that was emceed by Cary Mettetal. Many students attended and participated in the program. The skit, entitled 'Twas the night before Christmas and all through the campus . . .', was performed by SGA members, administration, faculty, and staff. Bobo dorm won first place in both the Christmas decoration and Christmas carol categories. Honorable mention in the carol-singing competition were Taylor and Quitman Dorms while honorable mention for decorations was given to Panola for originality and to Taylor for beauty. Santa arrived on his modern sleigh, a three-wheeler, with his elves throwing candy to the crowd. While present, he shared a few of the items on his Christmas list. The celebration ended with Dr. Haraway lighting the tree on the front campus, and everyone singing "Silent Night."

CAMPUS LIFE

The Campus Life at Northwest allows students to participate in such activities as pageants, plays, pep rallies, intramural sports, band performances, and a wide range of organizations. Getting involved in the happenings at Northwest is when you'll make new friends to laugh with. Learn your part in the play, design pages for the yearbook, perform with the Ranger Band, attend the National Phi Theta Kappa Convention in Washington, D.C., and become the state football champions. Northwest is full of opportunities for students, but you've got to take the initiative and make it happen!

Bits and Pieces

Bits and pieces.

Bits and pieces.

People. People important to you.

People unimportant to you cross your life, touch it with love and move on.

There are people who leave you, and you breathe a sigh of relief and wonder why you ever came in contact with them.

There are people who leave you, and you breathe a sigh of remorse and wonder why they had to go and leave such a gaping hole.

Children leave parents. Friends leave friends. Acquaintances move on. People change homes. People grow apart. Enemies hate and move on. Friends love and move on. You think of the many who have moved into your hazy memory. You look at those present and wonder.

I believe in God's master plan in lives. He moves people in and out of each other's lives, and each leaves his mark on the other. You find you are made up of bits and pieces of all who ever touched your life, and you are more because of it, and you would be less if they had not touched you.

Pray God that you accept the bits and pieces of humility, and wonder, and never question, and never regret.

Bits and pieces.

Bits and pieces.

BENTON-MARSHALL CENTER

The Benton-Marshall Center opened for the spring semester of 1981 after a study completed by the Research and Development Department at NWJC indicated a need for vocational training in the Marshall-Benton County area. The center serves to provide skill training for the citizens, create a trained labor force which will serve to improve the economy of the area, and provide a greater opportunity for more effective program expenditures at federal, state, and local levels.

Under Construction

Many changes have taken place over the past year. Of course, the biggest change was going from a junior college to a community college.

Students who are majoring in broadcasting at Northwest have access to the first public radio station in Mississippi — WNJC-FM 89. First hand experience in the production of promotional spots, the art of announcing, and the day-to-day operation of a radio station are only a few of the benefits a student may obtain. WNJC is located on the first floor of the Humanities Building and operates at over 20,000 watts. The experience gained through the broadcasting classes of Northwest proves to be a valuable asset to students as they continue their education at senior institutions.

— Perry Mangum

VO-TECH

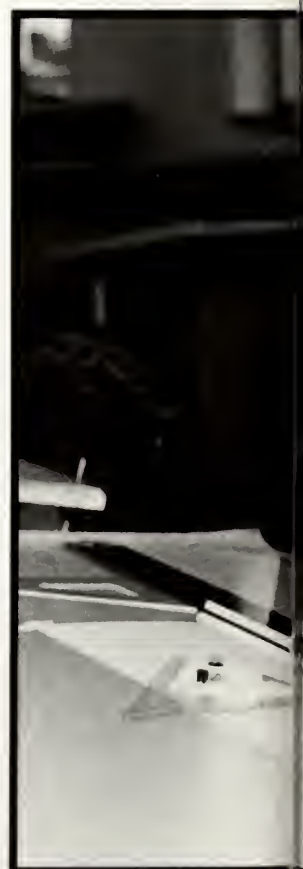

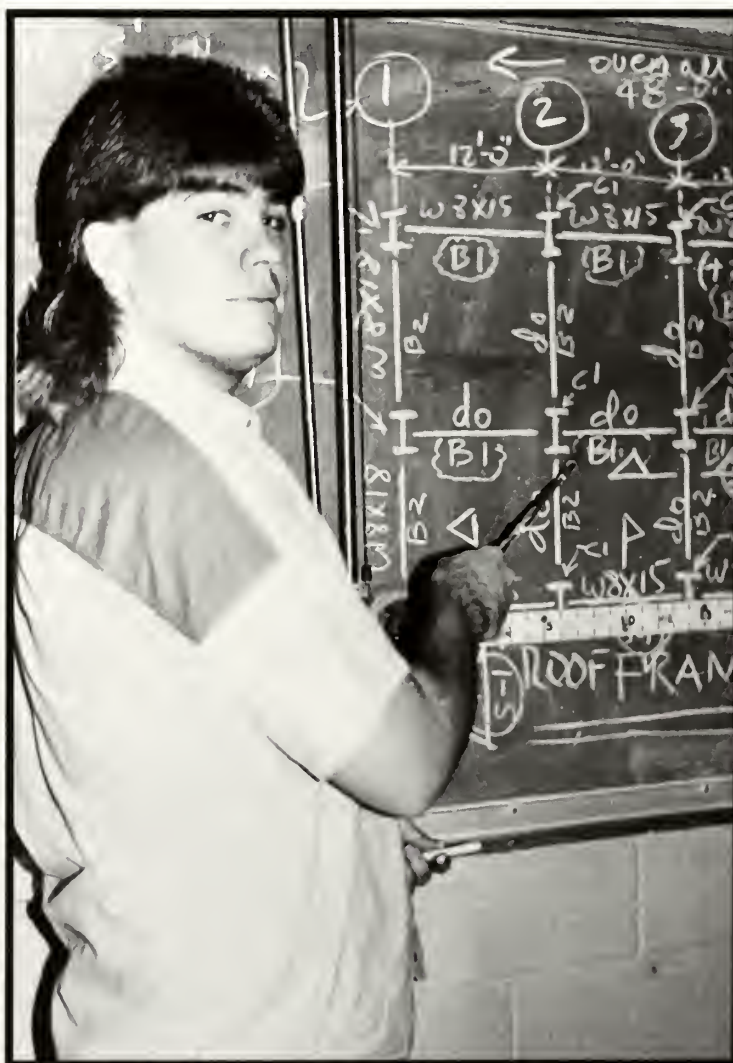

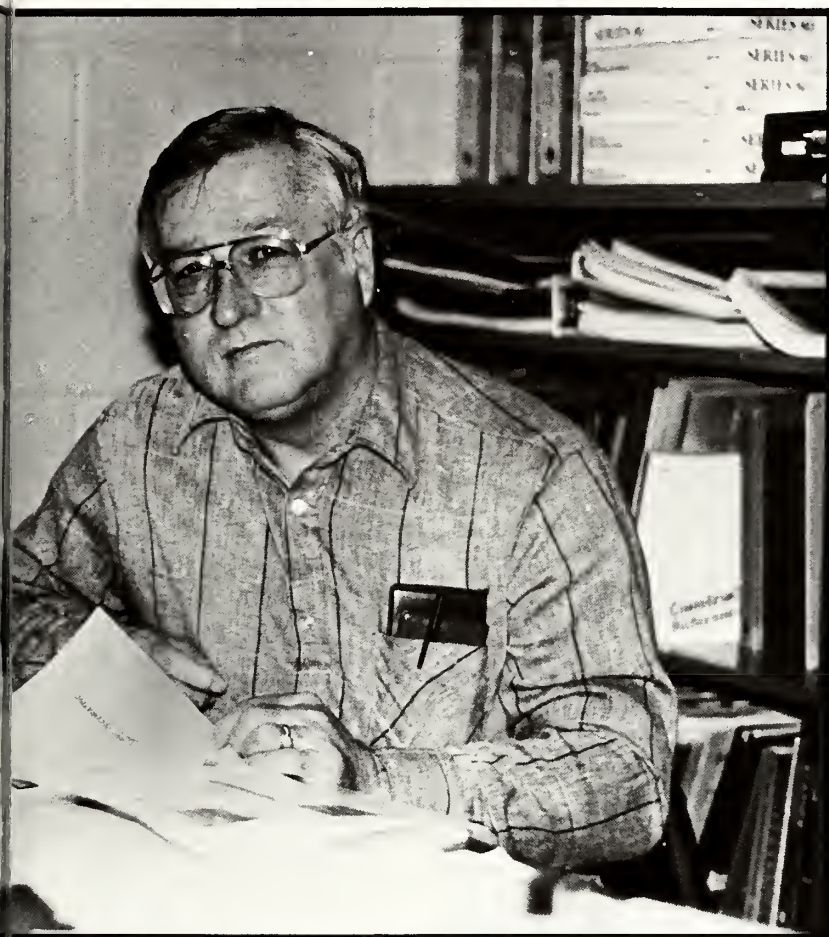

The thought of college usually brings to mind classes such as algebra, English, and history, but at Northwest not all students are involved in academic courses, some are enrolled in Vocational Technical programs. While the main campus has a wide selection of Vo-Tech classes, each center has a few choices that are unique to their campus. Vocational-Technical programs are structured to meet the needs of students seeking preparation for employment in an occupational field not requiring a four-year degree. Like those who excel academically, Vo-Tech students are also eligible for nomination to all academic honors such as Hall of Fame, Outstanding Students, and Who's Who Among Students in American Junior Colleges.

MISS NORTHWEST

1987

Memphis freshman Stacey Potts captured the crown of 1987 Miss Northwest on February 26, 1987, in the Fine Arts Auditorium. Stacey also won the talent competition performing Donna Summer's "Last Dance."

A nursing major, Stacey represented Northwest in the Miss Mississippi Pageant in July 1987.

Completing the court were first alternate Becky Ainsworth of Hernando, second alternate Sharon Blake of Memphis, and third alternate Lolita Dowler of Hernando.

Becky, freshman pre-pharmacy major, won the swimsuit award. She performed a tap dance routine for the talent competition.

Sharon, freshman pre-med major performed her interpretation in dance to Sam Harris' "Somewhere Over the Rainbow."

Lolita is a freshman radiology major. She tap danced for her talent performance.

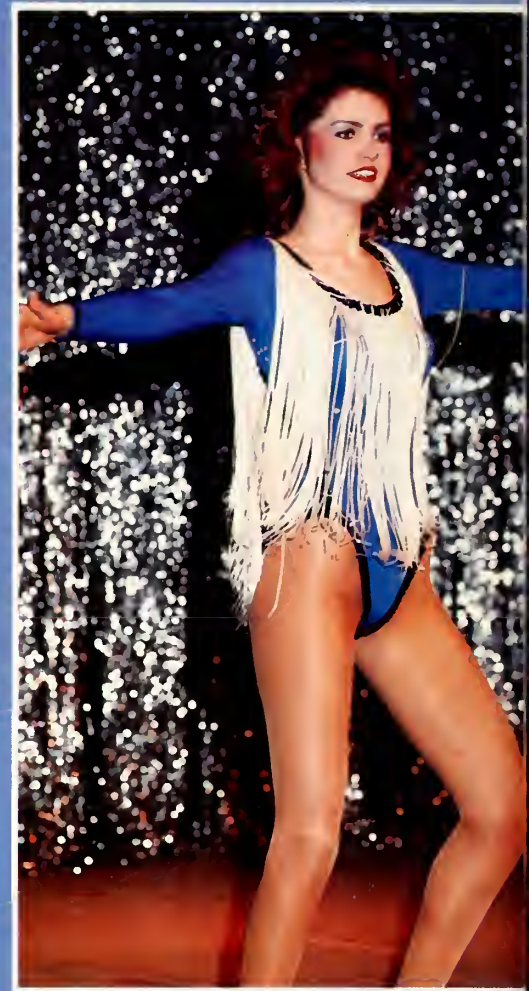

Dick Hawley of Channel 5's "Wake-up Call," served as emcee for the evening.

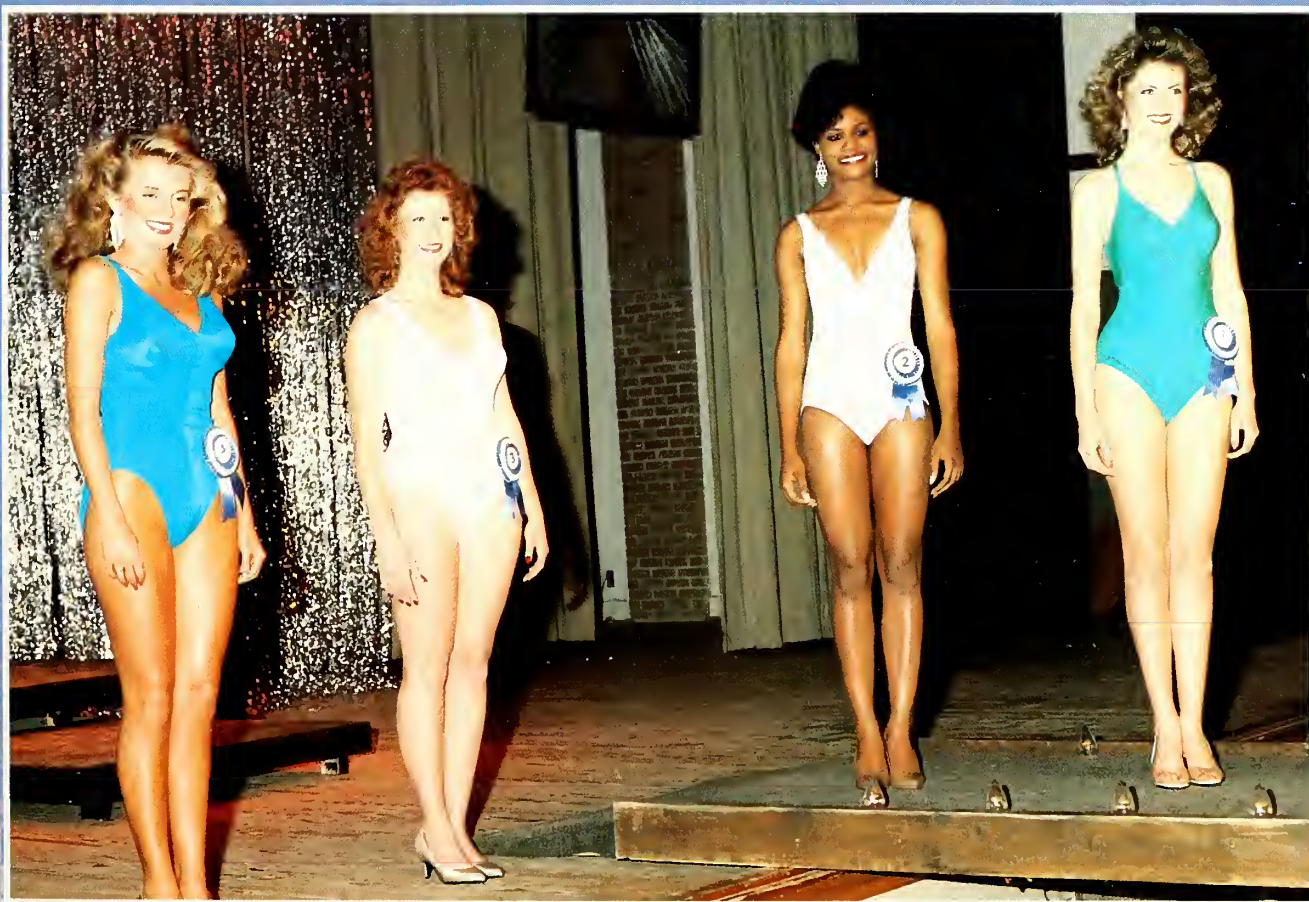

Darlene Ferguson of Hernando, Miss Northwest 1986, crowned the new Miss Northwest at the culmination of the evening.

MISS NORTHWEST 1988

Becky Ainsworth of Hernando was crowned Miss Northwest 1988 on Wednesday evening November 18, 1987, in the Fine Arts Auditorium on the Senatobia campus.

Becky is a sophomore pre-pharmacy major. The 19-year-old daughter of Mr. and Mrs. Jim Ainsworth of Hernando, she is Hernando's Miss Hospitality. Becky has studied tap and jazz dance for 12 years. She performed a tap dance to "Fabulous Feet" for her talent segment. A President's List scholar, Becky is secretary of Phi Theta Kappa, SGA Parliamentarian, freshman and sophomore Homecoming Maid, and a member of the Science and Math Club. Becky will represent Northwest in the Miss Mississippi Pageant held in July 1988 in Vicksburg.

Beth Bryson of Bruce captured first alternate honors. She is the 19-year-old daughter of Pat and Mary Bryson of Bruce. Beth is pursuing a major in English with a

minor of education. She was elected 1987 Homecoming Queen, 1987 Miss NWJC, named to Who's Who Among American Junior Colleges, and is a Ranger cheerleader.

Tracy McGregor of Memphis took the title of second alternate. She is the 20-year-old daughter of Mr. and Mrs. Robert McGregor of Memphis. An elementary and physical education major, Tracy is captain of the Ranger cheerleading squad. She performed a gymnastic routine to "Medley" for her talent.

The 1988 Miss Northwest Pageant was presented under the direction of Jill Ferguson, home economics instructor, and D'Layne Smith, broadcasting instructor. The Jazz Band, directed by Ferrell Luncford, associate band director, performed before the welcome given by Meg Simmons, SGA president.

METTETAL*

"I feel really honored that people think enough of me to have me represent my school," said Beth Bryson, Miss NWJC.

Beth, a graduate of Bruce High School, has been an active student while attending Northwest. Her freshman year she served as a Rangerette, and as a sophomore, she continued her Ranger spirit as a cheerleader. Beth was elected freshman Homecoming Maid in 1986 and in 1987 she reigned as Homecoming Queen. She also won 1st alternate in the Miss Northwest Pageant. Beth has received academic honors as well, and this year was named to Who's Who Among Students in American Junior Colleges. She is pursuing a major in English with a minor in education.

"It is a privilege for me to represent my peers at an institution that holds such a special place in my heart," said Cary Mettetal, Mr. NWJC.

A graduate of North Delta Academy in Sardis, Cary has been extremely involved in the student life of Northwest. He has served as president of the Science Club both his freshman and sophomore years and president of Phi Theta Kappa his sophomore year. Cary received the Golden Key Award, a regional award of Phi Theta Kappa very few students are capable of acquiring. While being an active member of the Baptist Student Union, he sang with the BSU ensemble, Living Waters. Cary was named to Who's Who Among Students in American Junior Colleges and a member of the Senate. He is a pre-med major.

HOMEcoming 1987

Beth Bryson Queen

Beth Bryson of Bruce was elected 1987 Homecoming Queen in student elections.

The Coronation took place on Monday, October 5, in the Fine Arts Auditorium on the Senatobia campus.

Beth and her court were presented at halftime of the Northwest-Mississippi Delta game Saturday, October 10, at 2 p.m. in Senatobia.

Beth is a sophomore majoring in education. Her escort was Johnny Ray of Lamar.

Other sophomores on the court included Becky Ainsworth, Rhonda DeFrees, Nancy Swearingen and Carla Gill.

Becky is a pre-pharmacy major from Hernando. Her escort was Larry Chamberlin of Hernando. Rhonda, also of Hernando, is a nursing major. She chose Paul Whalen of Olive Branch as her escort.

Representing DeSoto Center, Nancy is a business major from Southaven. Her escort was Richard Riddle of Greenville, Ala. Carla Gill of Bruce represented Lafayette-Yalobusha Technical Center.

She is a medical clerical major and chose Tony Wilkinson of Oxford as her escort.

Freshman maids include Portia Cook of Sardis, Liesl Davenport of Senatobia, Jennifer Johnson of Memphis, Ise Anderson of Byhalia, Shirley Tucker of Ashland, and Pamela Miller of Memphis.

Portia is an elementary education major and chose Robert Stewart of Batesville as her escort. Liesl, a sports medicine major, chose James Cooper of Southaven as her escort.

Jennifer is a general college major and chose Michael Thomas of Horn Lake as her escort.

Representing Olive Branch Center, Ise is an offset printing major. She chose Edsel Lee Burks of Memphis as her escort. Shirley, who represented Benton-Marshall Center, is a computer operations major. Her escort was Jeffery Ivory of Byhalia. Pam is a mortuary science major at DeSoto Center and chose Keith Wardlow of Southaven as her escort.

FAME

Becky Ainsworth

Rebecca J. Ainsworth, one of four representatives from the Senatobia campus, is a sophomore from Hernando. Majoring in pre-pharmacy, Becky has maintained a perfect 4.0 GPA. Selected as Miss Northwest 1988, she has been both freshman and sophomore Homecoming Maid. Becky was listed in the Who's Who Among Students in American Junior Colleges. She is secretary of Phi Theta Kappa, and a member of the Student Government Association, Senate, Science and Math Club, and the Baptist Student Union.

Richie Bailey

Richard K. Bailey of Southaven represents Olive Branch Center in the Hall of Fame. An aviation maintenance technology major, he has maintained a 3.50 GPA. Richie is a Student Government Association representative and has received a Leadership Scholarship award for four semesters. At Northwest, he has achieved Dean's List status.

Cary Mettetal

A graduate of North Delta High School, Cary Nolan Mettetal of Sardis, represents the Senatobia campus. While maintaining a 3.78 GPA in pre-medicine, Cary is involved in many extra-curricula activities at Northwest. Elected by the student body as Mr. NWJC, he was selected by faculty and administration to represent Northwest on the NWCC Student Recruiting Team, Northwest/Rotary Student of the Month, and Who's Who Among Students in American Junior Colleges. Cary is president of the Science and Math Club, president of Phi Theta Kappa, member of the Baptist Student Union "Living Waters" ensemble, and Senate Christmas Program committee. Cary was also awarded the Golden Key Award, a tri-state Phi Theta Kappa award.

Susan Mitchell

Susan Carol Mitchell of Southaven is one of two representatives from DeSoto Center. A President's and Dean's List scholar, Susan has kept a 3.84 GPA in elementary education. A member of Phi Theta Kappa, she was selected by faculty members to represent Northwest in the Who's Who Among Students in American Junior Colleges.

Karla Parks

Also representing the Senatobia campus is Karla Regay Parks of Senatobia. While handling many responsibilities in several organizations, Karla has maintained a 3.94 GPA in accounting. The recipient of a Leadership Scholarship, she has attained President's List status each semester while at Northwest. She was selected by faculty and administration for inclusion in the Who's Who Among Students in American Junior Colleges. Serving on the State Baptist Student Union Executive Council, Karla is president of the campus chapter. In addition to holding the editorship of the 1988 ROCKETEER, she is a member of Senate and vice president of Phi Theta Kappa.

Meg Simmons

Margaret Ann Simmons of Southaven is one of four representatives from the Senatobia campus. An English major, minoring in French, Meg has retained a 3.74 GPA. Meg is president of the Student Government Association and last year served as SGA parliamentarian. A member of Phi Theta Kappa and the Baptist Student Union, Meg was assistant director of the 1988 spring musical "Little Mary Sunshine." Selected by faculty members as the Outstanding Student in French, Meg also was included in Who's Who Among Students in American Junior Colleges. She is one of thirteen students selected to the Northwest Recruiting Team.

Patti Thweatt

Patti Thweatt of Lake Cormorant is one of two representatives from DeSoto Center. A sales and marketing technology major, Patti has maintained a 3.14 GPA. Selected by faculty members as the Outstanding Student in sales and marketing technology, Patti is the president of Delta Epsilon Chi.

Teresa Winters

Representing Lafayette-Yalobusha Technical Center is Teresa Hill Winters of Water Valley. A business technology major, Teresa has maintained a perfect 4.0 GPA. Teresa is reporter of the Phi Beta Lambda chapter and chairperson of the Most Outstanding Project committee which received second place in PBL state competition. She was voted Class Favorite by her classmates.

CLUBS

ASCET

American Society of Certified Engineering Technicians is a national professional organization open to all technical students. Objectives are to develop student interest in the engineering technician profession; to inform of the role that engineering technicians are playing on the engineering and scientific team; and to direct the graduating student toward definite steps to obtain professional certification.

BAPTIST STUDENT UNION

This organization is a Christian ministry to the campus, sponsored by the Mississippi Baptist Convention. Its purpose is to lead students to an effective faith in Jesus Christ. BSU functions to remind students of their responsibility to Christ and to fellow Christian citizens. Members of BSU attempt to provide students the opportunity to "live-out" their faith and the avenue through which they can share that faith, including worship, Bible study, fellowship, discipleship training and mission activities. Membership is open to any student wishing to develop or deepen a personal relationship with Christ.

RANGER FOOTBALL

Summing It Up . . .

When the 1987 Ranger season began with a loss and a record of 2-2 after the fourth game, no one expected that by the end of the season the Ranger team would be number one in the state and tenth in the nation. "Overall, we had a great season, overcoming two early losses," said Head Coach Bobby Franklin, "If we had won the bowl game, we had a shot at finishing in the top five, but I'll take No. 10 in the nation any season."

This year's team also came out with two on the 1987 Community College All-American Honorable Mention list: Ricky Blake, running back from Fayetteville, Tennessee, and Cortez Kennedy, defensive tackle from Wilson, Arkansas. Blake, an All-State back rushed for more than 1500 yards and provided 22 touchdowns for the Rangers and was named Best Offensive player in the Jayhawk Bowl although the Rangers didn't come out victorious. Kennedy, who was also a first team All-State selection, "is one of the best defensive linemen I've had an opportunity to coach in the six years I've been at Northwest," said Ranger Defensive Coordinator Ron Stark. He ended the regular ten game season with 72 individual tackles, 60 assists, 18 sacks, two deflected passes and two fumble recoveries.

1987 proved to be a tremendous year for the Ranger team. With a 10-3 season, a state championship, a bowl game, and a Coach of the Year, this team just couldn't go wrong!

— Liesl Davenport

Although he did not have any TD's on receptions, Blake never dropped a pass all season and added over 200 yards to the Ranger offense passing yardage.

FOOTBALL

EAST CENTRAL

"Sure we're disappointed, but we've still got a good football team. We had a chance to win it; we went for the win, but there was a missed assignment on the play. We should have scored," explained Coach Franklin after the Rangers' 17-16 loss to the Trojans.

With 1:11 left in the game Blake scored on a 3-yard run making the score 17-16. Byrd's pass for the 2 pt. conversion to John McKay was no good. The Rangers' kick was recovered on our 49 yd. line. Blake's first down inspired the Rangers with 38 seconds remaining. Bolen's field goal attempt of 48 yds. was no good. The Rangers' time ran out and their 1st game ended in a loss.

COPIAH-LINCOLN

Northwest took it to the line, once again, with the Wolves, but this time pulled through with a win of 15-14. With just 46 seconds remaining Eric Chalk nabbed his third interception of the night and returned the ball for 54 yards to ensure the Rangers' win. "We played poorly the first half and made a lot of mistakes," said Franklin. "We were not playing with much intensity. The second half we played darn good football." The first half was left at 14-9 after Bolen's 35-yd. field goal, closing Co-Lin's lead to 5. The Rangers came back from the half storming. The D was consistent, as usual, and held the team together. Conditions hampered the offense but after a Ranger drive from our 43-yard line, Blake took it in from the 20. The 2-point conversion was no good and the score was left at 15-14. The Rangers were on the road to victory.

HOLMES

Two touchdowns in the first five minutes of the ballgame spelled victory for the Rangers and defeat for the Bulldogs of Holmes as Northwest upended Holmes 21-9 in Senatobia September 17. Both offensively and defensively, Northwest seemed to bend and not break until early in the second quarter when Bolen added three points from the 45-yard line of Holmes making the score 17-0 Rangers. The Ranger defense held tough and special teams came into the ballgame to block a Bulldog punt that rolled out of the end zone for two. This gave Northwest a 19-3 lead heading into the locker room. "I was very pleased with the first half," said Head Coach Bobby Franklin. "Overall it was a pretty good offensively and defensively played game. The second half provided less scoring, but quite a bit of action. With Holmes deep in their own territory, and trailing 19-3, center Gordy Frederick snapped the ball over the head of Brian Burrough and out of the end zone for another Ranger safety, making it 21-3, Rangers. The Bulldogs finally found the end zone, with 3:18 remaining in the game, as quarterback Kenny Taylor kept the ball for six. Randall's kick was good for the final score of 21-9, Rangers.

EAST MISSISSIPPI

This was a Ranger "fight to the finish." The Rangers had a 18-17 lead after Byrd's 60 yard touchdown pass to Buggins and Troy Thompson's fumble recovery on the Lion 22 which led to the TD dive by Blake. 10:52 was left in the first half and the Rangers held the lead until the Lions pushed a 51-yard drive ending with a 1-yard run and 1:49 left on the clock. The score was 23-18 going into the second half. The second half was all defense. Northwest's points in the second half went to defensive end, Enrique Plunkett for the safety. The game was left at 23-20 and the Rangers were now 2-2.

Top: Robbie Beckett, an offensive guard from Bruce, takes a break during the hot day game against Mississippi Delta. Right: Ranger running back Ronnie Burnett was a leading carrier for a second year at NW. Far Right: Pat Bryant continues to work on his kick during practice.

PEARL RIVER

Ricky Blake was on the war path against the Wildcats. He led the team to a 31-27 victory with 148 yards on 27 carries and 3 TD's. But, it took the whole team to win this game. James Wright set up the first points with a blocked punt, which gave the Rangers a 3-0 lead. The first quarter ended 7-3, Wildcats.

The second quarter seesawed and left the Rangers trailing 14-10 at half time. The Rangers came back and at the end of the 3rd quarter led 24-21. Still seesawing in the 4th quarter, Blake scores from 27 yards out giving the Rangers a 10 point lead. Northwest had to punt with just over a minute left giving Pearl one more chance. They drove for a TD and their 2 point conversion failed giving the Rangers a 3-2 record.

MISSISSIPPI DELTA (HC)

The victory over the Trojans topped off the Ranger Homecoming week, giving NW a record of 4-2.

The first half was a battle and ended 7-7. Beth Bryson was crowned Homecoming Queen during the half-time festivities. The Rangers faced several penalties coming into the second half, but they continued to drive to end the 3rd quarter with a 12 point lead of 26-14. Of those points included the interception by Alton Montgomery for a 76 yard TD. The Trojans came back with a TD early in the 4th quarter closing the gap to 6, but the rest of the game belonged to NW and ended in a big Ranger win of 47-20.

COAHOMA

Nine players put points on the scoreboard for Northwest when the Rangers demolished the Tigers 62-6 at Clarksdale. Coach Franklin made certain his team did not look past the Coahoma game, a critical North Division contest. The victory boosted the Ranger's overall record to 5-2 and conference record to 3-1. "This kind of game scares me to death," Franklin said prior to the kickoff. Even though an average of 33 points per game had been charged against the scoreless Tigers, Franklin wasn't taking anything for granted. Needless to say with a total of 62 points scored the Rangers blew them away.

JAYHAWK BOWL

"We jumped out in front," noted Franklin, "and then lost the edge right before half-time." Northwest's first score came near the end of the initial quarter when Byrd hit Charlie Biggens for a 31-yard touchdown reception. Kevin Bolen added the extra point. The Ranger Defense recovered two Coffeyville fumbles in the opening quarter. The third fumble recovery came early in the second quarter when Jim Crain grabbed the ball. Two pass receptions for 14 and 18 yards by Wesley Carroll followed to set up the Rangers' second score. Mike Crenshaw ran in from the 2-yard line to

score and Kevin Bolen's kick gave the Rangers a lead of 14-0. In the second quarter, the Red Ravens scored twice and kicked a 22-yard field goal to give them a 1 point advantage at halftime, 15-14. Early in the third quarter Blake got loose for a 29-yard touchdown run. Bolen kicked his third extra point, and the Rangers were leading 21-15. During the fourth quarter the Red Ravens scored twice with PAT's to end the game 29-21. The home field advantage may have given the Red Ravens an edge, but Northwest "never gave up and had a chance to win right to the end," continued Franklin.

FOOTBALL

ITAWAMBA

"We played the best defensive game since I've coached at Northwest," said Coach Stark.

The entire first half belonged to NW. The Ranger offense was on the move. Blake scored first on a 58-yard run and a mere five minutes later Byrd hit Wesley Carroll with an 11-yard TD pass. Bolen supplied the PAT's and gave NW a 14-0 lead. The Rangers fought for their third TD, but on 4th and goal the dive by Blake was good for the six points, topping off the 64-yard drive, and leaving first half at 20-0. The Indians came back to threaten our lead, but our D kept them occupied and ended the game at 20-3.

NORTHEAST

The Rangers defeated arch-rivals NEMCC Tigers to become North Division Champs. The Ranger offense sparkled the first half with 21 points and the defense left the Tigers scoreless. The third quarter proved to be just as successful for the Rangers until the closing seconds when NE scored, making the score 28-8. In the 4th quarter the Tigers picked up a few more points as did the Rangers. The final score left the Rangers 38-23 and on their way to the State playoffs.

JONES COUNTY

Three touchdowns on the first three possessions of the game were all the Rangers needed to defeat Jones 20-0 in Ellisville. Northwest went into the game sporting a 7-2 record and clinching the North Division Championship spot while Jones was 3-6 overall. Wide receiver Tommy Lipscomb put the first six on the board as he scored on a 32-yard pass from quarterback O'Neal Weber. John McKay kicked for the extra point. Ricky Blake, Rangers' powerhouse, rambled in from 26 yards out. McKay put the extra point through, making it 14-0 Northwest. Weber found wide receiver Wesley Carroll in the end zone for a 36-yard pass leaving the Rangers with a 20-0 lead. Cortez Kennedy, defensive tackle put the icing on the cake when he recovered a Bobcat fumble at the Ranger 5-yard line with less than two minutes to go in the game.

EAST CENTRAL — PLAYOFFS

The Rangers sustained the first round state playoffs with a 21-17 win. The first half began with a big Ranger drive to the three, but ended in a blocked field goal attempt. This set the pace for the rest of the game. The Warriors were first on the board with 7, then the Rangers pushed through to tie the game. A minute later Mitch Cooper intercepted for a 45 yard TD, and the Rangers led 14-7. After JoJo Wright broke up an East Central pass in the end zone, the Warriors added 3 to their 7. The Rangers fought once more during the half for another TD and ended the half 21-10. East Central came back fighting and put 7 more on the boards, but they just couldn't get past the Ranger defense. The game ended 21-17 sending the Rangers to the State Championship.

STATE

Coach of the Year

"A coach is only as good as the people who surround him, and I've got one of the best staffs in junior college football," said Head Football Coach Bobby Franklin referring to his three assistants Ron Stark, Steve Arnett and Scott Maxfield.

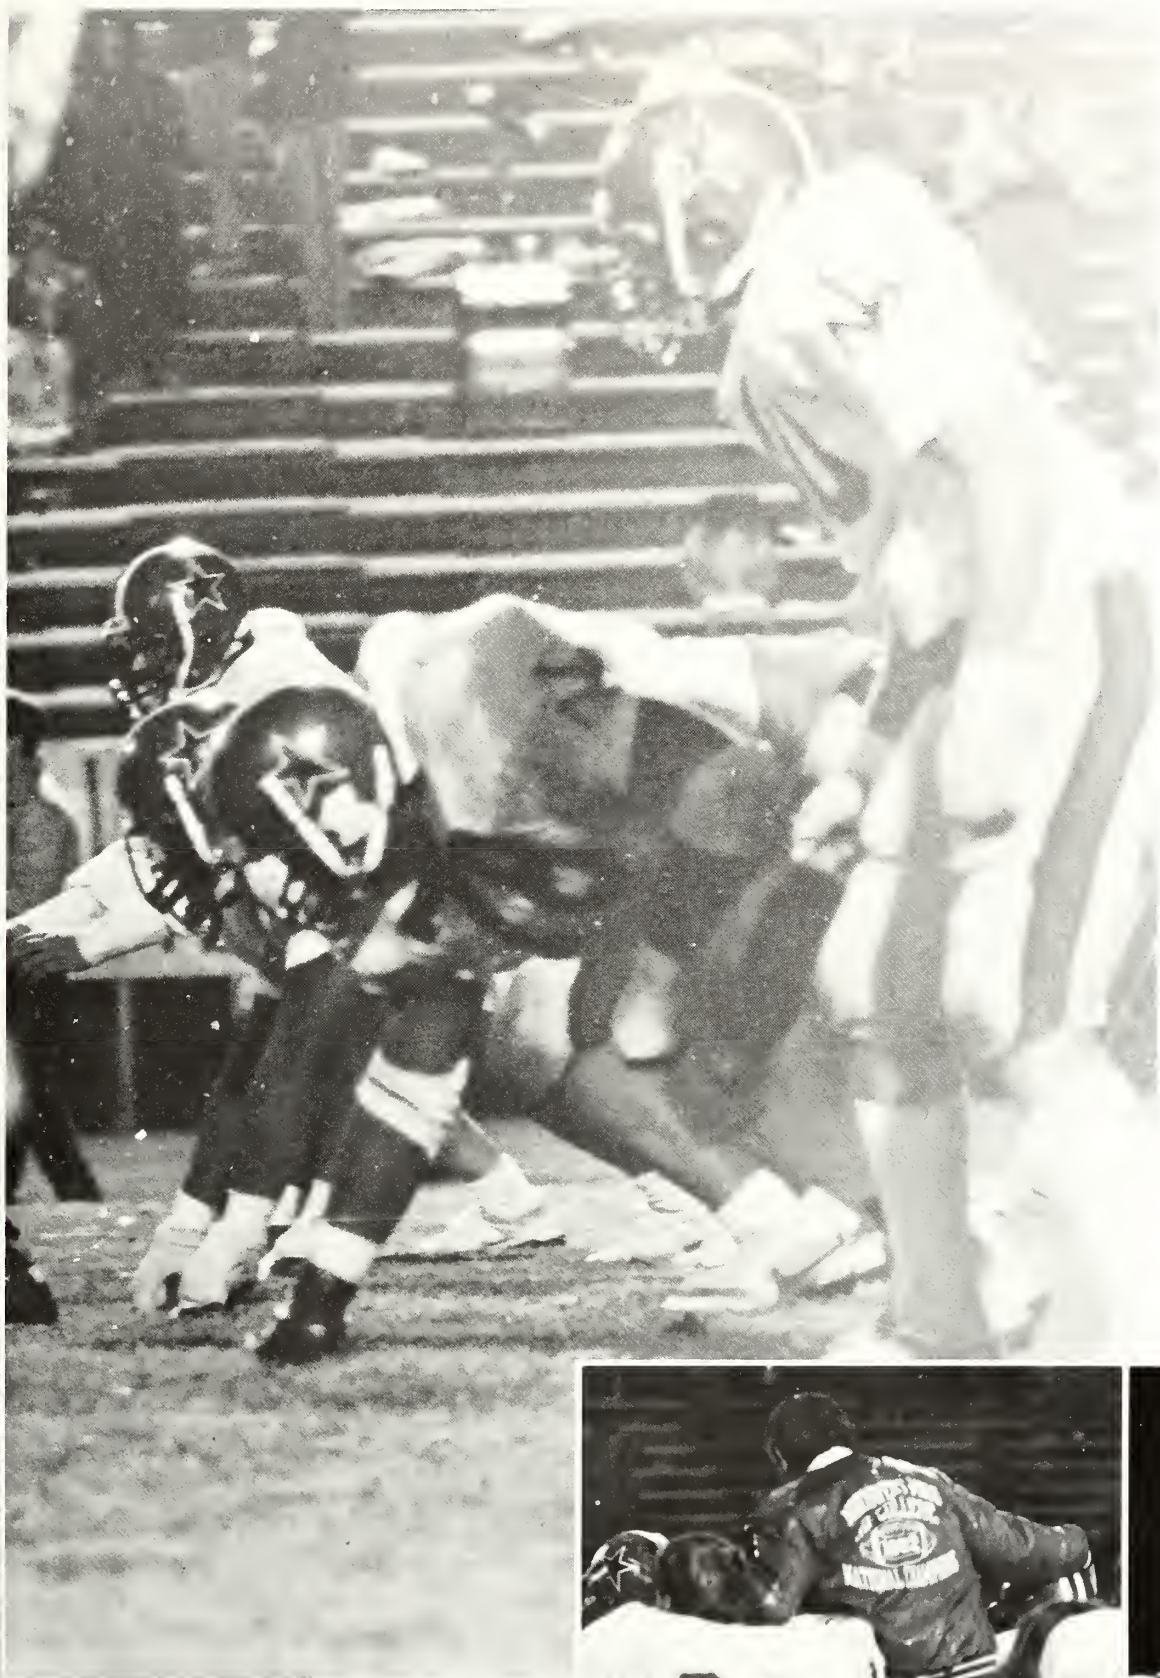

Since 1981 when Coach Franklin moved up from offensive coordinator and took hold of the reins, he has produced the 1982 national crown, two region and two state championships, and three division titles. That's quiet an accomplishment for just seven years at the helm. Keep it up Coach! We congratulate you.

Top Left: "Coach of the Year" — an award well deserved. Dr. David Haraway presents the Region XXIII award to Coach Franklin. Top Right: Mitch Cooper comes out after an outstanding game and an astonishing season. Right: It was head to head football during the fourth quarter against Hinds.

CHAMPIONS

Northwest Mississippi Junior College jumped to a 21 point half time lead over Hinds Community College then coasted to a 21-16 victory for the State Championship Saturday night in Raymond. Fringe benefits included the Region 23 title for the Northwest Rangers and Region 23 Coach of the Year honors for Coach Bobby Franklin. The Ranger offense was sparked by Wesley Carroll's four pass receptions for 121 yards and two touchdowns and Ricky Blake's ground attack of 23 rushes for 160 yards and one touchdown. Two quick strikes in the first quarter may have "shell shocked" the Eagles, according to Franklin. Undaunted, Carroll took a Byrd pass 90 yards for the second Ranger score with 3:34 in the first quarter. The Eagles trailed 14-0. The Eagles threatened twice before half-time. Troy Thompson, line-backer from Texarkana, Texas, recovered a Hinds fumble with a little more than a minute to go. Then Byrd fumbled and Hinds had the ball on Ranger 26, but the passing defense of Eric Chalk and Charles Watson kept Hinds quarterback Mike Burch from connecting. Ranger John McKay kicked off to Hinds giving them their last possession around their own 38 on fourth and seven, Northwest got the ball and the 21-16 State Championship victory at the final whistle.

RANGER CHEERLEADERS

The 1987-88 Ranger cheerleaders, captained by Tracy McGregor and sponsored by Dr. Becky Askew, led the Ranger football team through an outstanding season. Not only did they cheer at games and pep rallies, but they also promoted the Ranger Spirit. They got student and even faculty participation in pep rallies. Also, the cheerleaders were responsible for the "tail-gate" parties before the Copiah-Lincoln and Mississippi Delta pep rallies, and they worked with the Student Government Association and Soul Club for the post-game dances. They didn't stop there. After football season was over they moved on to basketball. The Ranger cheerleaders have had a busy year and a successful, well appreciated one at that.

RANGER BAND

The Northwest marching band is open to enrolled students. There are no strict requirements providing that you are an instrument player. Scholarships are available to qualified students, and auditions are required. The purpose of the band is to boost the spirits of the team players and provide an adequate amount of entertainment for the crowd. The band also performs at surrounding parades. Its main purpose is to enhance the dignity and reputation of the college.

Northwest also has a concert band that is composed of selected students by audition who wish to further their musical abilities. It is open to students who plan to major in instrumental music and it provides an opportunity for students in other major fields to continue the enjoyment of instrumental playing.

RANGER TENNIS

Freshmen Pat Oglesby of Senatobia and Karon White of Marks starred on the courts of women's singles and doubles competition to lead the Northwest netters to state and regional recognition. Under the coaching of Jerry Boutwell and his assistant Joe Elliott, the women's team finished regular season play with a 4-1-1 record.

During regular season play, Oglesby produced a 5-1 slate in the no. 3 singles category, and White finished 6-0 in no. 4 singles. Their no. 2 doubles record was 3-0.

Moving to the state playoffs at Millsaps, the Northwest women's team, which included freshman Meloney Darby of Batesville, captured the runner-up title behind Itawamba. White won the State Championship at the no. 4 singles position, and Oglesby fin-

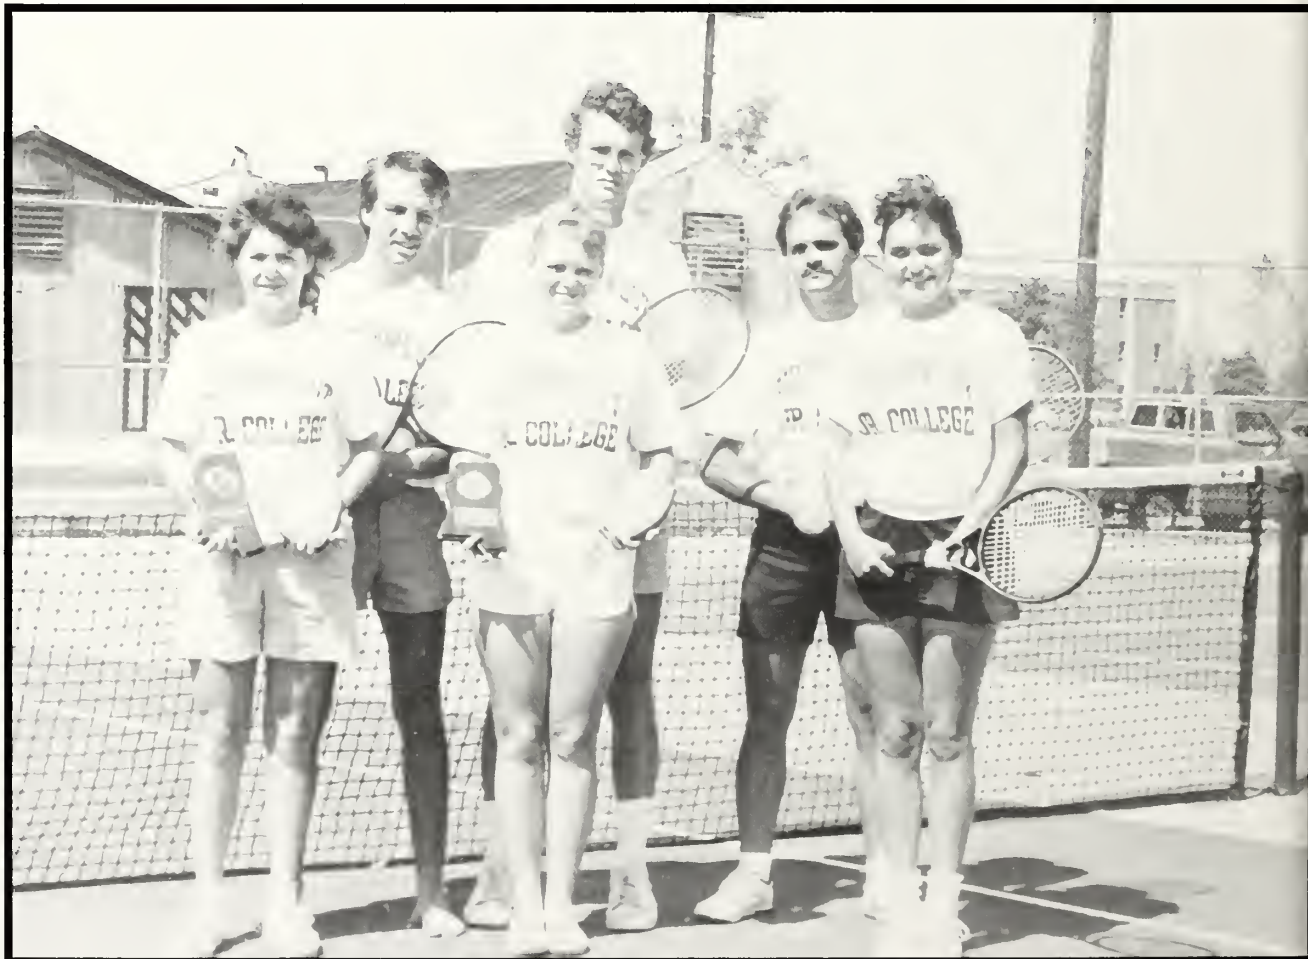

ished as runner-up in no. 3 singles. The Oglesby-White no. 2 doubles team claimed the State title in that category.

In the Region XXIII tournament, also held on the Millsaps' campus in Jackson, Oglesby and White captured the no. 2 doubles regional championship. Individually they fared as well with Oglesby winning the no. 3 singles championship and White taking the no. 4 singles title. Overall, the Northwest women's team finished third behind IJC and Gulf Coast respectively.

The men's team tallied a 3-3-0 record in regular season play, and sophomore Ryan Byrne of Coffeeville recorded a 5-1 slate in the no. 2 singles position. The men's team finished sixth place in the state competition.

Above Right: Pat Oglesby and Karon White relax after taking the no. 2 doubles regional championship title.

L. to R.: Pat Oglesby, Bryan Herring, Karon White, Ryan Byrne, Marty Montgomery, and Meloney Darby show off their awards.

RANGER GOLF

THE FIRST GOLF TEAM AT NORTHWEST: — Back (left to right): Lance Clements, Paul Savage, Lane Hart, Coach Don Edwards. Front: Clay Morgan, and Jeff Caldwell.

Paul Savage gets off a good drive while competing in the State Tournament on the Gulf Coast.

In its first year to compete in intercollegiate golf, the Northwest golf team under the coaching of Don Edwards signed a season scorecard that would be respectable in more experienced golfers' record books. Finishing second in the state and third in Region XXIII, the team saw two members qualify for the NJCAA national tournament last summer in Odessa, Texas.

Rangers Paul Savage of Batesville and Jeff Caldwell of Senatobia tied with scores of

75 for low medalist in the state playoffs. Savage then captured the State Medalist title, and Caldwell came away with State Runner-up honors.

At the regional tournament in Shreveport, La., Caldwell finished third and Savage fifth, both qualifying for the national event where they missed the cut by a narrow margin.

"All these guys can play," said Edwards. "We did better than I thought we'd do the first year."

RANGER RODEO

Eight, seven, six, five, four, three, two, one — buzzer sounds. The audience looks into the ring of dust, and as the dust clears, questions are raised: Did he complete the ride? How well did he ride? What was his score? These are just a few of the questions one may ask or hear at a rodeo arena. One may even hear such slang as dally-off, buck-out, taping-up, third loop, etc. If you take the time to look around the Northwest campus, you will notice several rodeo winners.

The Northwest rodeo team is a dedicated group of students. They all want to be the best whether it be bronc busting calf roping, bare-back riding, or goat tying. The rodeo team consists of both boys and girls and each division varies for team members. Two of the top team members are Afton Richard and Howard Varnado. They both rank in the top

twenty national divisions in areas such as goat tying, calf roping, bronc busting and barrel racing.

The rodeo team on the Northwest campus is coached by our very own Bud Young. Young is serving his first year as National Faculty President of the National Intercollegiate Rodeo Association. He has been Regional Director of the Ozark Region for ten years.

Young has done a terrific job with the rodeo team. The activities along with membership have grown over the past years. The rodeo team travels to different parts of the country to participate in rodeo events and to protect the titles they hold. To some Northwest students rodeo is one of the most important events in their lives.

— Catherine McIlwain

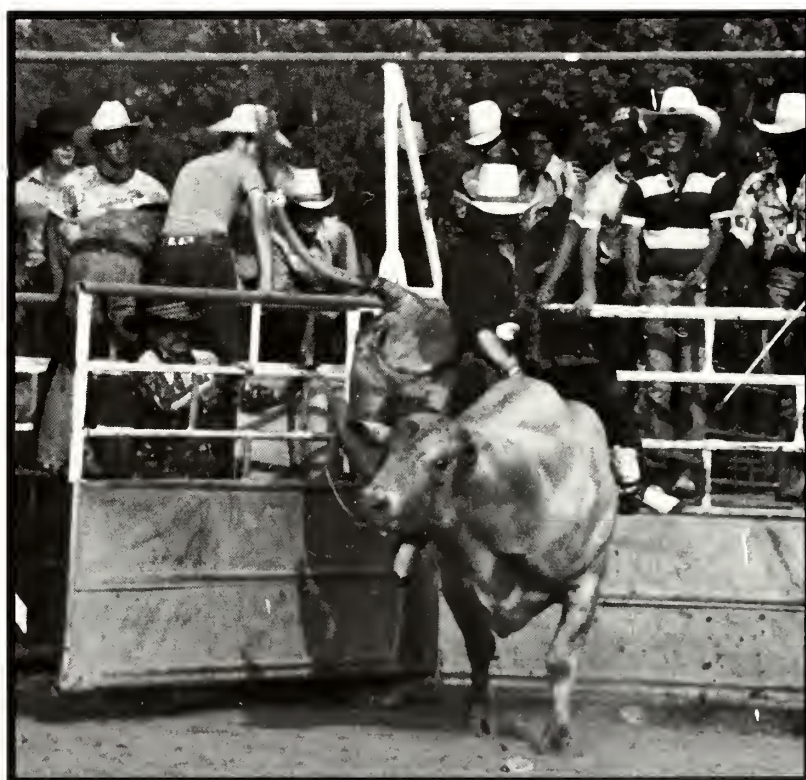

Above: Todd Thrash spends his spare time practicing bull riding at the Northwest Farm.

Top: Bareback bronc riding is only one of the events in which Mike Price competes. Other events Mike participates in are saddle bronc riding and bull riding.

Bottom: In order to do her best in upcoming rodeos, Kristi Holland spends many hours barrel racing.

Top: Rodeo team members do not always perform as a team. Afton Richard participated by herself in Kentwood, La.

Bottom: Bud Young, Rodeo Coach, proves he is worthy of his title.

RANGER INTRAMURALS

With names like the Phi Poppa Toppas, The Misfits, The Generics, and The Stallions Revenge floating about, you could be sure of only one thing — that intramural football was once again at hand.

The team to beat this year was the Phi Poppa Toppas, a group of unknown renegades who from out of nowhere seemed to dominate the Intramural scene. They remained the only undefeated team in the league at Northwest and went to New Orleans to compete in the National Intramural Championships where they lost

to Georgia State and Ohio State respectively.

Led by the Doughboy, the Phi's held their opponents to less than 12 points every game.

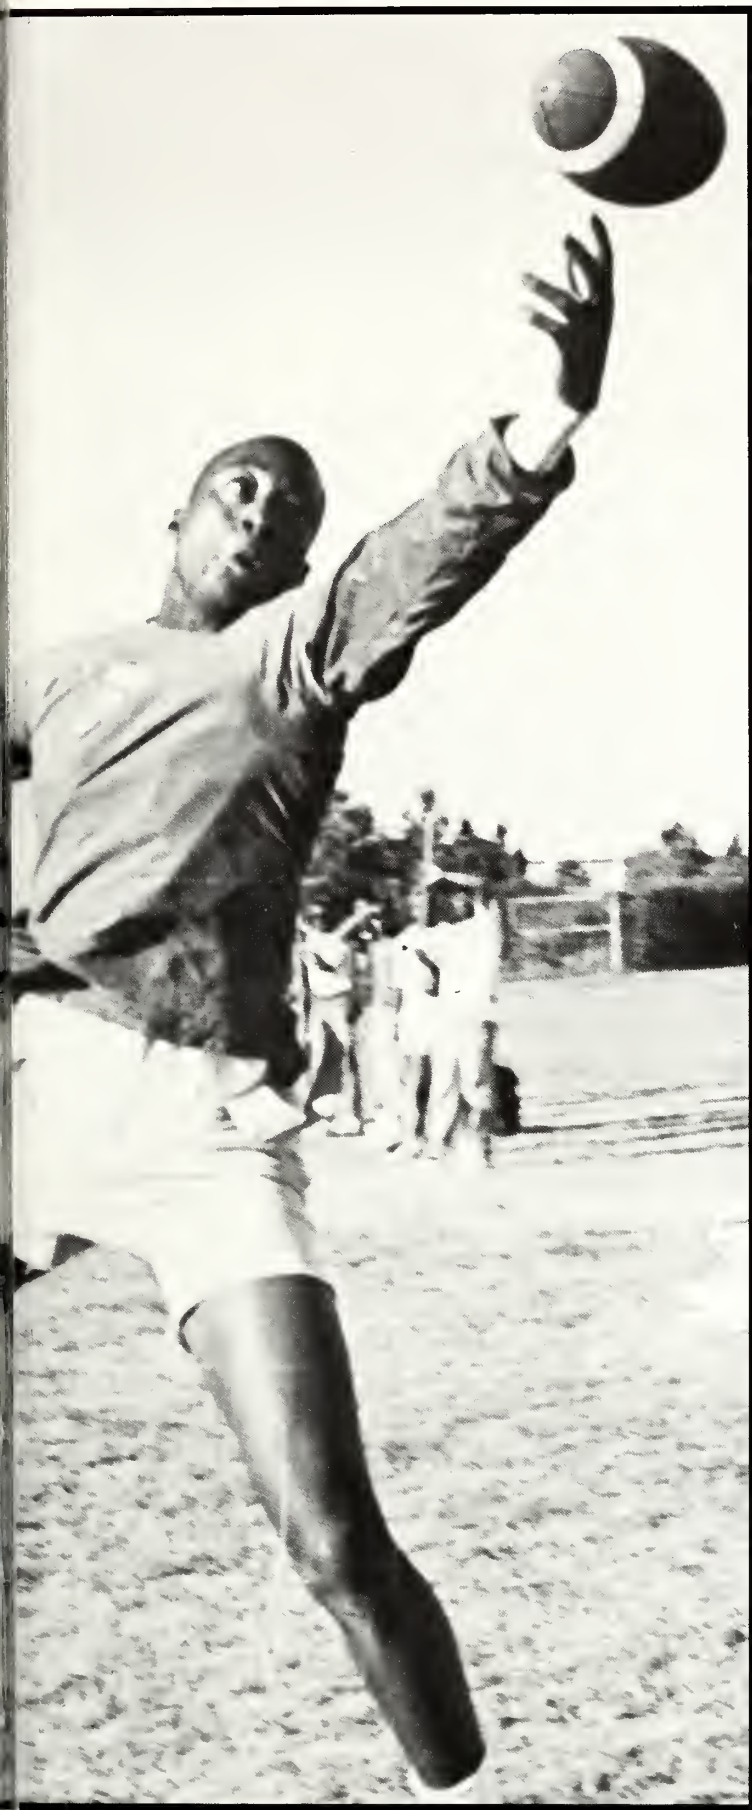

The other team proving it had a chance was The Groove B Chill. A balanced passing and running attack were the keys to the Chill's victories. They, like the Phi's, held their opponents to less than 12 points every game.

RANGER BASEBALL

Diamond Days return to NW

The Rangers finished out the baseball season with a record of 21-15 and a total batting average of .269 in 1987. Last year the team also continued a 10-year streak of winning at least 20 games in a season.

Although he had "greater expectations for the team than were met due to injuries suffered by several players," Head Coach Jim Miles was impressed with the overall turnout of the season. During Coach Miles' tenure at Northwest, he has maintained a winning record of 72% out of 450 games.

— Suzi Battles

After a tiring double-header both teams leave the field satisfied with a split.

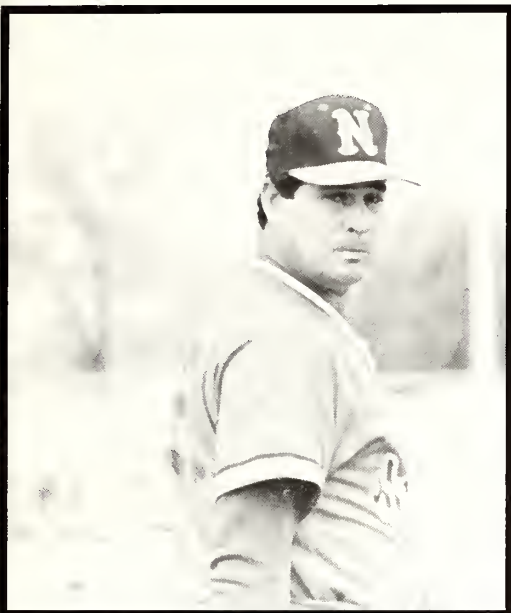

Mark Johnston, a freshman DHer, takes a break after a hot day of batting practice.

Pitching against Mississippi Delta, David McIver builds his strikeouts.

Coach Castle doesn't need his hands to give the players signs!

Greg Crenshaw, better known as "Sarge," stretches for the out at first.

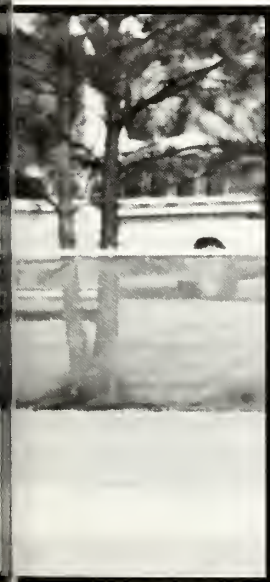

Around Northwest warm weather brings one thought to every sports fan's mind. That thought is the long awaited beginning of another outstanding season of Northwest baseball.

Dr. David M. Haraway

President

David McWilliams Haraway was named the seventh chief executive of Northwest by the Board of Trustees on September 26, 1985 and assumed office on October 1, 1985.

For the previous ten years he had worked in administrative positions on both the Senatobia and Southaven campuses. At Senatobia he served as Director of the Computer Operations Center and Executive Assistant to the Vice President of Operations. Prior to these positions, he held the positions of Assistant Director, Director of Research and Development, and Director of Fiscal Affairs.

After graduating from Olive Branch High School, he received the Bachelor of Business Administration, the Master of Education in educational administration and supervision, and the Doctor of Philosophy in educational administration and supervision degrees from The University of Mississippi.

Dr. Haraway holds memberships in several professional organizations including the Mississippi Junior College Association, National Association of Community and Junior Colleges, Phi Mu Alfa Sinfonia, Mississippi Association of School Administrators, Mississippi Association of Vocational Educators, American Vocational Association, on the Board of Directors of the Mississippi Junior College Economics Development Foundation, and district chairman of the Chickasaw Council Boy Scouts of America.

Your freshman year is a period of rapid growth. You form your attitudes and opinions of the new bigger world you've entered. The transition from high school to college is a difficult one. You go from being sheltered and herded to class, to total responsibility. It may be your first time away from home, and you have no choice but to learn responsibility. You suddenly have more free time, and you have to decide what to do with that time. (To party or to study — that is the question). In the end you emerge, not unscathed, but a better person from the experience.

— Perry Mangum

When we came to Northwest as freshmen, I sat on one side of the room and you on the other. We didn't even know each other's name, but many things have changed since then, even the name of the school.

Now it's like we've been friends forever. You know me better than I know myself. We've shared so many good times that are already fun to remember. In the past two years we have created many memories that will be deeply cherished, but the friendship is what we will miss the most. We have made a difference in each other's lives even if we were only together a short time. Our friendship may fade, but the laughs and smiles will never let it die.

As freshmen we said hello. As sophomores we are forced to say goodbye.

— Pat Oglesby

CLOSING

MAKING
A
Difference

REMEMBERING . . .

Remember your first day at Northwest — REGISTRATION!! It lasted for days. The sophomores registered first leaving everyone else the 8:00 classes. You waited for hours to get your schedule, and when you finally made it to the computer at least one of your classes had closed.

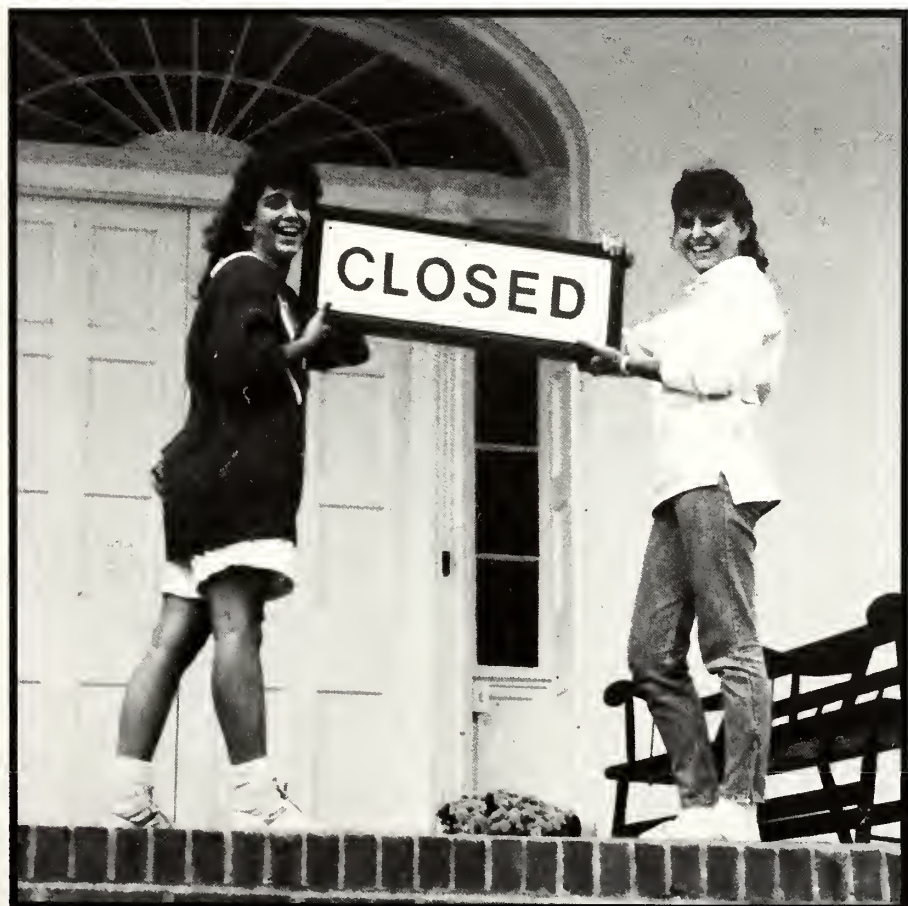

What about those first days of class? We worried about finding the right buildings, not to mention the right classrooms. Remember being scared you wouldn't know anyone in your class, only to walk in and find half of your old high school buddies smiling at you.

Just the thought of starting college was terrifying — you know C-O-L-L-E-G-E!! The hard stuff. The dreaded professor who walks in the room with a book as thick as the Memphis phone directory under his arm. He wrote his name on the board then ordered you to take out a piece of paper for your first college assignment — writing a paragraph on your summer vacation.

What about the dorm life? You were placed with a complete stranger in a compact room to deal with annoying habits such as drying her hair one strand at a time at midnight every night. Or talking in his sleep about things that would make a sailor blush with shame. Don't forget the one who snored — while you were hanging from the bed post for dear life he was sucking the walls in.

Girls, remember fighting over the showers because you had a date with Mr. Not-So-Hot but ever so Cool Joe in half an hour? What about the times you thought you were crazy about Billy, Joe, Jim, Rob, or Ted only to discover your suite mate was also in love with them? It will be hard to forget those 8:00 classes after a big night — waking up late and rushing to the cafeteria wearing no makeup and sweats.

Two roads diverged in a wood, and I —
I took the one less traveled by,
And that has made all the difference.

Robert Frost

Guys, do you remember those ever so intimate showers? You spent hours standing there because of the endless supply of hot water. And all the rapping with your suite mates to the latest hit. You never had to carry a book to the bathroom because the walls provided loads of entertainment; including the latest jokes, who'll do what and who has what.

Girls, what about the date with the jock? You looked forward to that night for days. You dressed to kill only to discover that he dressed as if he had killed something — the same sweats he'd been wearing for three days. You were looking forward to a special, romantic evening out on the town. Instead, he took you to McDonald's, ordered for you and ate your leftovers in two gulps. By then you had realized that his IQ and shoe size were one in the same. You asked yourself how he ever made it out of junior high. By the end of the night you knew every move he made in every game he ever played — not to mention the ones he tried with you.

Guys, what about the date with the beautiful blonde from history class? The one who always acted so sweet and helpless. You picked her up and she didn't even remember your name. You took her to a nice restaurant, and she ordered a burger and fries. She laughed hysterically at everything you said, drawing everyone's attention. By the end of the night you realized on her last refill, someone pushed helium instead of air, and that glob of hairspray was the only thing keeping her brain from floating away.

Remembering those good times, the friends, the fun, the laughter, is what's so important. So remember those who've made a difference — and smile.

When I accepted the task of being editor of the **ROCKETEER**, I did not realize what a huge responsibility I had undertaken. I neglected friends, family and school work to devote my time to doing the best of my ability. There were times when I thought it would be impossible to meet the next deadline. For example, there was a 72-page deadline approaching, that lacked all 72 pages three weeks left to meet it, and ten inches of snow on the ground that allowed valuable time to pass without making any progress. Gradually, the final deadline arrived and all 256 pages were finished. Although it would be nice to think I created this book by myself, I can't take all the credit because much of that credit belongs to those who helped or simply stood behind me.

Had it not been for my staff willing to help in any way they could, I know that first deadline would never have been met, not to mention those to follow. Without Liesl Davenport helping with copy layouts, photography, and sports, I could not have made it through the first semester. I shall never forget the weekends I spent with Liesl, Suzi, Judd, and Pat trying to meet those awful killer deadlines. My friends only proved how true they were by putting up with me through all those bad days.

Not just as my advisor, but as a close friend, Louise McKee encouraged me not to give up when I was frustrated, depressed, and thought I had reached my

limit.

Rick Alford, BSU director, was always understanding although I still feel as though I sometimes neglected my duties as president.

Being able to offer the right suggestion and give expert advice, Dr. Ann Whitten always knew just what finishing touch should be added.

Linda Hogan, computer instructor, also gave her time, ability, and lab assistants to speed up the process of finishing the students and educators section.

And then there were my parents, who were very supportive, as always, and eventually got used to seeing me eat and run.

I can't describe the anxiety, concern, and delight that I have experienced over the past few months while I spent numerous hours working on what is now the 1988 **ROCKETEER**. However, I don't regret any of the time that was sacrificed because otherwise I would be dissatisfied with the results. After all, if we are to make a difference, we've got to put forth our best effort in all that we do. And I feel that because of the Lord's will and guidance I have put forth my best effort.
